STEEL DOOR | ÇELİK KAPI

---

*Everything started with the story to research for beauty; and every door should be knocked previously... Maybe a warm nest's door and a mosque's one...*

*Maybe its rhythm is definite with a caravansary's crown gate and its confidence is also definite with a castle's sign gate...*

*The human had to visit a madrassa for its science, go through the palace's main door for its elegancy.*

*And above all the human had to go into a heart door...*

*We present our new **Boyut Colors Collection** designed by us with all of our values touching to human to you, our dear guests proudly.*

---

Güzelliği arama hikayesi ile başladı herşey; ve her kapı çalınmalıydı evvel.  
Belki sıcak bir yuvanın kapısı, belki de bir caminin.

Ritmik bir kervansarayın taç kapısında, güveni de bir kalenin burç kapısında aramalıydı belki.

İlmi için bir medreseye uğramalı, zarafeti için ise sarayın cümle kapısından geçmeliydi.

Ve hepsinden öte bir gönül kapısına girmeliydi insan...

İnsana dokunan tüm değerlerimizle tasarladığımız yeni **Boyut Renkler Koleksiyonumuzu** siz değerli Misafirlerimize gururla sunarız.

**Mustafa Mayda**
